Skills and Problem Solving

Please rate each section (1 = Not Achieving, 10 = High Achieving)

Theory Knowledge &
Information Gathering

Practical Skills

Problem Solving
& Critical Thinking

We would like to hear from you why you believe your apprentice is the 'AAJ Apprentice of the Year'.

Please provide information (about 200 words) to support this. Include examples such as, engagement on myBCITO, preparation at site visits, demonstration of leadership skills, teamwork and going above & beyond. This is a great opportunity to present your apprentice as a leading-light. (Photos of the apprentice's work can be used to support this). **Please use this space to write or attach your own document.**
